

Pharmacy Lead Recycling Program

- Convenient
- Economical
- Environmentally Friendly

Convenient

- Our years of experience in lead recycling have streamlined the process.
- Simply place your unwanted lead scrap in Mayco's container.
- When your container is full – up to 2,000 lb – call Mayco, and we will
 - Arrange pickup (usually via FedEx Freight within 48 hr)
 - Drop off a new container
 - Weigh scrap and issue you a detailed monthly statement and a check.

Economical

- Mayco pays competitive rates for scrap lead products.
- Fully auditable accounting for lead and payment
- No need for you to pay shipping or arrange logistics
- Mayco will provide payment at the beginning of each month, along with a detailed statement.

Environmentally Friendly

- 100% of your lead will be recycled.
- Feel secure about where your lead ends up.
- Mayco is fully licensed and regulated for the safe handling of lead.

Details

- No need to remove the plastic encasement
- Mayco will separate the plastic from the lead, and recycle/reclaim both

Two Options

- Scrap Box Program

- Scrap Bucket Program

Lead Scrap Box Recycling Container

- Holds up to 2,000 lb
- Dimensions: 32" x 32"
- 22" Tall

Details

- Locate Mayco's container so that it is accessible by a pallet jack
- Do not leave syringes, vials, or medications in the pharmaceutical lead containers, as they may be returned to you.

Lead Scrap Bucket Recycling Container

- Convenient
- Economical
- Environmentally Friendly

Convenient

- Our years of experience in lead recycling have streamlined the process.
- Now Mayco has partnered with Associated Couriers Inc. to make the process even easier for you!
- Simply place your unwanted lead scrap in Mayco's container.
- When your containers are full:
 - Fill out a Mayco-provided bill of lading
 - Associated Couriers Inc. will pick up and drop off new buckets during a regularly scheduled stop.
- Scrap will be transported monthly to Mayco Industries.
- Scrap will be weighed and you will be issued a monthly detailed statement and check.

Mayco Lead Recycling Bucket

- 3.5 gallon bucket
- Small and easy to store
- Holds up to 60 lb
- Labeled for easy tracking

Details

- Locate Mayco's container so that it is easily accessible for you
- Do not leave syringes, vials, or medications in the pharmaceutical lead containers, as they may be returned to you.
- Move buckets to Associated Couriers' pickup area when buckets are full and BOL is complete

Details

- Scrap will be picked up by Associated Couriers along with 3-part BOL
- Each location will be given Blank BOLs to have on hand
- Pickups will occur automatically with regular ACI pickups and deliveries. No need for extra calls and scheduling.

LEAD SCRAP RETRIEVAL GREEN EARTH PROGRAM BILL OF LADING

RECEIVED, subject to individually determined rates or contracts that have been agreed upon in writing between the courier and shipper. If applicable, otherwise to the rates, classifications and rules that have been established by the carrier and are available to the shipper, on request. The property described below, in apparent good order, except as noted (contents and condition of contents of packages unknown) marked, consigned and destined as shown below, which said carrier agrees to carry to destination, if on its route, or otherwise to deliver to another center on the route to destination. Every service to be performed hereunder shall be subject to all the conditions not prohibited by law, whether printed or written, herein contained, including the conditions on the back hereof, which are hereby agreed to by shipper and accepted for himself and his assignee.
