

ROOFING & PLUMBING

Mayco's **MULTI-PITCH LEAD ROOF FLASHINGS** are made from the highest quality and longest life materials; ideal for all types of roofing applications. Available in 2.5# and 4# weights and 1.5", 2", 3", 4", 5" and 6" pipe diameters. Flexible up to approximately 14 degrees.

This product is available for same day shipping.

SHEET LEAD is ideal for building, industrial, water proofing and shielding requirements.

Rolls are available from 6" to 96" widths and up to 25 ft. lengths. Most commonly seen in the roofing industry as 2.5 lb. and 4 lb. squares, we offer flat, rolled and rolled and wrapped.

Flat 30" x 30" and 36" x 36" squares available for same day shipping.

CUSTOM LEAD FLASHINGS

are made from the same high quality material. Specifically made to your specifications to meet federal, state, city and county flashing code requirements. These flashings can be manufactured to fit any roof pitch up to 6/12 pitch. Custom flashings are available in adjustable sizes as well.

MayCoat™ POLYMER COATED FLASHINGS

have the most durable, longest lasting coating available. The unique chemical properties of the MayCoat™ polymer based compound provide unsurpassed UV corrosion protection when installed outdoors or exposed to sunlight and other UV producing environments.

This means an extra layer of protection for long-term exposed installations. Available in gray and black.

LEAD CAPS Also known as "repair caps" are designed to fit on top of existing boots or vent pipes. Available in 1.5", 2", 3" and 4" and approximately 6" tall. Use as a professional finishing touch or as a quick repair for minor pipe damage such as that caused by rodents. Available with MayCoat™.

Other products available include: **GUTTER OUTLETS, LEAD WOOL, BENDS REPAIR COLLARS, LEADED T'S AND LEAD WEDGES**
